

Datasheet

JUMP|CABLE

A hybrid cable that combines power in+out and data in+out into 1 cable. Use it for a clean connection of 2 AX2-100 without sagging cables. Thanks to the special XLR connectors the JumpCable allows for a IP65 water resistant wiring connection.

XLR 5 PIN IN Power OUT

Power IN XLR 5 PIN OUT

SPECIFICATIONS

Order Code	AX2-JC
Connectors	PowerCon True1 / XLR 5P
Dimension (L)	820 mm / 32.3"

All specifications provided are typical values and maybe subject to change without prior notice.
