

Datasheet

CROSS|PLATE

SPECIFICATIONS

Order Code	AX1-CP
Connector	5/8" Pin
Weight	0,37 kg / 0.81 lbs
Dimensions (L x W x D)	255 mm x 125 mm x 40 mm / 10" x 4.9" x 1.6"

All specifications provided are typical values and maybe subject to change without prior notice.

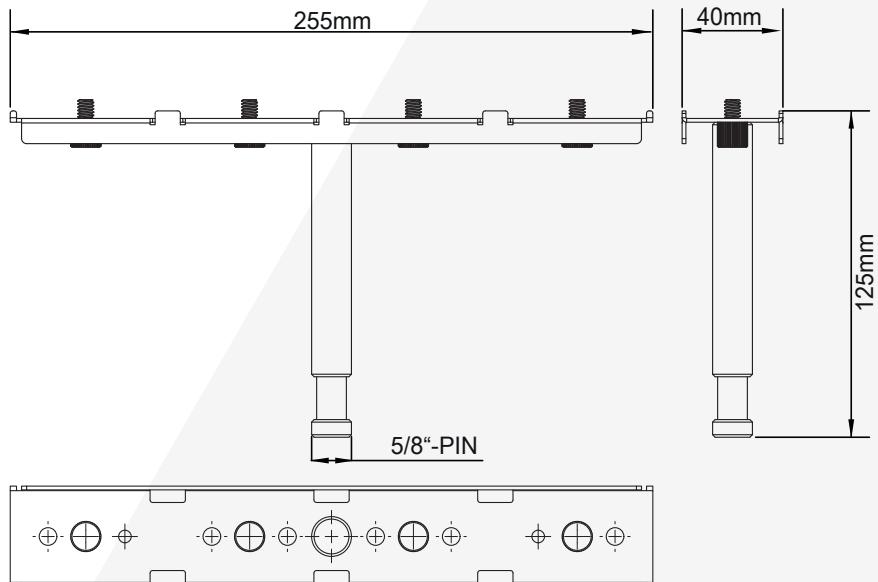

Up to 4 WingPlates can be mounted onto one CrossPlate so Tubes can be mounted in parallel to create a 4-Bank. To hold the additional weight the Cross Plate has a 5/8" Baby Pin welded onto its backside.

NOTE:

The CrossPlate needs WingPlates (AX1-WP) that are supplied separately.
